

Guard will allow up to 5 attendees for most courses and is also willing to provide the training on site if necessary.

6. Senior Leader Forum – The audience was polled on what areas were of interest to senior management. The following list was compiled:

- Emergency Management
- Recruitment
- Networking
- Risk management
- Security and Safety of Staff
- COOP
- What affects all Federal Employees
- Report of what agencies do

It was decided that the first Senior Management , Agency Heads and Program Director Brunch/Forum would be scheduled for November 14 at 9 AM. It will be held in the Portsmouth area. Location to be determined. The first forum will feature presenters from HUD, State Department and NH National Guard.

A team of Marlene, Kathy and Dawn will choose a facility. A tentative date of 19 September to confirm the speakers, location develop the flyer/agenda and determine the cost. The invitations will be sent out by 20 November and RSVP's are expected by 1 November.

#### 7. Fund Raising Topic

Last months list was explored. Spring Golf will continue. We would like to have another fund raising activity. Charles checked on the cost of a diner cruise. A lobster/clambake would cost \$48.00 per person. To charter the boat it would cost \$3750. A sight seeing cruise would cost \$24.00 per person. This appears out our reach. A fall Golf tournament appears more feasible. The cost is about \$65-\$75/ player. Scheduling may be an issue this year since there are three tournaments already scheduled: Guard Oct. 10<sup>th</sup>, VA Oct. 6<sup>th</sup> and the Peas Air Guard has one scheduled in the same timeframe. It was decided to table this event and see how the brunch Forums pan out.

8. The following are scheduled upcoming events:

- November 6<sup>th</sup> Brunch/Forum
- January 7<sup>th</sup> Scholarship Award Diner
- May 7<sup>th</sup> Federal Employee Award Diner
- September Fall golf

9. The following are scheduled future meetings:

- September 20<sup>th</sup> HUD Manchester
- October 26<sup>th</sup> ANG Concord
- November 29<sup>th</sup> NHG Pease

10. The meeting adjourned at 12 noon.
