1. Steve Tacopina called the meeting to order at 10:00
2. Steve ran a roll call to introduce new members to the group.
3. March 21st Minutes were reviewed and accepted.
4. Treasurer's report was presented. Our checking account has a balance of \$638.46 and our savings account has a balance of \$13.40. The increase in our balance from last month reflects a \$250.00 contribution from BC&BS as well as a personal check from Mr. William Phillips, SBA in the amount of \$200.00. We also received a pledge from GEHA in the amount of \$250.00. The board expressed their sincere appreciation for the

additional funding. This funding will go a long way to make the May award a success as well as provide funding for the scholarship fund.

5. The Awards banquet is scheduled for May 6th, which is also the Public Service Recognition Week. Twenty-seven award packages were received this year, this was somewhat lower than last year. This is an outstanding opportunity to recognize your good workers in your office. The Asia Restaurant in Newington, NH, has been finalized for this year's location. The cost for the registration is set at \$20.00. The guest Speaker will be George Bald, Director, Pease Development Authority. Please send in your registrations in early.
6. There was no report from CFC although last years campaign was just shy of \$1,000,000.
7. There were no further developments on our WEB page. We are still waiting for a host server.
8. The yearly golf tournament is the NHFEA sole money source. The incumbent coordinator, Mr. Alan Stewart is planning to continue as coordinator of the Annual Golf tournament, which the Board is extremely grateful. The NHFEA has been asked to assist with more publicity. The tournament is limited to 144 players on a first come first serve basis and is scheduled for May 27th at the Country Club of New Hampshire, North Sutton, NH.
9. The FEA is still planning to host a retirement seminar. Unfortunately our presenter is in a job transition and we will need to reschedule the event to perhaps in the fall.
10. The meeting adjourned and the attendees traveled to a briefing at the TSA Office in Londonderry, NH. The next event will be our Awards banquet on May 6th.
